

## **MARYLAND BOATING SAFETY CERTIFICATE**

If the operator of a boat was born on or after July 1, 1972, the State of MD requires that he or she have a MD Boating Safety License! They are required to have it on them when out driving a boat.

The license is available to take online.

The Safety Certificate is for the rules of the road, safety procedures and information about docking. It does not cover the actual physical, hands-on experience of driving and docking a boat.

The DNR – Department of Natural Resources offers this course along with other options listed below:

- [boat-ed.com/maryland](http://boat-ed.com/maryland) – by Boat Ed 1-800-830-2268
- [boaterexam.com/usa/maryland](http://boaterexam.com/usa/maryland) – by Boater Exam 1-866-764-2628
- [boatus.org/maryland/](http://boatus.org/maryland/) - by Boat US Foundation 1-800-245-2628
